

FINALLY, caregiving guides that are more than just words on a page.

Developed by the award-winning producers of Today's Caregiver magazine, and using proven strategies from leading care experts, fellow caregivers and celebrity caregivers, these innovative guides help families meet their daily caregiving challenges.

The Fearless Caregiver Guides provide vital support helping family caregivers learn skills to achieve the best care for their loved ones—and for themselves.

Three New Guides

1. Getting Friends and Family Members to Help

- Creating your informal care team
- Coping with family who won't help
- Setting healthy boundaries

2. Successful Respite Solutions

- Achieving guilt free time-off
- Evaluating respite service options
- How to find free days for yourself

3. Financial Solutions for Family Caregivers

- Successful strategies for family finances
- Demystifying financial planning
- How to discover hidden financial reserves
